Automated Packaging Systems is the originator and sole manufacturer of genuine Autobag® bags-on-a-roll and AirPouch void-fill air pillows. Since 1962, we have been committed to providing the highest quality poly bags with the shortest lead times in the industry.

Bag material uniformity and integrity exceed quality standards established by the Flexible Packaging Association (FPA).

With multiple manufacturing facilities in the US and Europe, we offer the largest plastic bag manufacturing capacity to ensure your supply chain remains constant.

Customers who use system-matched Autobag bags exclusively qualify for the Systems Advantage® Program, which integrates machines, materials and services to further enhance the value of your packaging operation. To learn more or to place an order, please call us at 1-800-547-5130.
